## Melvin W.I. Tour Children's Hospital

The August meeting of the Melvin W.I. was held last Tuesday afternoon at the home of Mrs. L. Fischer. Mrs. Dupont conducted the meeting in the absence of the president.

Roll call. "Grandmother's Favorite Remedy," produced many a laugh.

Mrs. Rose Youngs described the trip to Calgary through the industrial plants and the Junior Red Cross hospital, for the benefit of the members who had been unable to attend.

It was voted to send \$5.00 to the Junior Red Cross hospital and as soon as gardens are ready members will also send vegetable donations.

The conducted tour through this marvelous children's hospital fired us all with enthusiasm for the wonderful work done and an immediate desire to do all in our power to help.

Mrs. Claire Fisher gave an enthusiastic report of the Farm Women's Week at Olds, showing samples of items taught in the sewing course. This was so interesting that it was suggested Mrs. Fischer instruct members on these sewing ideas at some future date.

Mrs. Fischer conducted the "bit of fun" which had been prepared by Mrs. R. Shantz. Mrs. George Youngs and Mrs. R. Youngs tied for honors.

A delicious lunch was served by the hostess at the close of the afternoon.

## Wood - Janzen Nuptials Held

On Wednesday, August 12, the Evangelical Church, Didsbury, was the scene of a very pretty wedding ceremony. The bride, Miss Mary Louise Wood, daughter of Mr. and Mrs. D. Janzen of Didsbury, became the bride of Mr. Donald Henry Wood, son of Mr. and Mrs. Harry Wood of Brantford, Ont.

The bride was given in marriage by her father and the ceremony was performed by Rev. A. J. Juran.

The bride wore a navy blue linen dress with white accessories and a corsage of red roses. She was attended by her sister, Mrs. A. Engwer, who wore a grey tulle dress with pink accessories and a corsage of pink roses.

Mr. A. Engwer was best man and Stanley and Theodore Janzen, cousins of the bride, were ushers. Mr. Jim Hooper sang "O Wedding Prayer" during the signing of the register, with Miss Esther Neufeld at the organ.

The reception was held at the home of the bride's mother, who was charmingly dressed in a coral nylon plisse dress and white accessories.

Friends and relatives in Ontario and Nova Scotia. Mrs. J. R. Cunningham rendered a reading and Mr. Jim Hooper sang.

The toast to the bride was proposed by the best man, to which the groom fittingly replied.

The happy couple left to spend a short honeymoon in Calgary and Banff.

## Large Crowds Expected At Annual Lions Jamboree

### GOLF NOTES

Lady members of the local golf club are requested to be at the club house this Friday at 2:30 for this week's competition. Mrs. R. McKenzie was the winner of the hidden hole competition held recently.

Scores on the ring competition are not being forgotten, we hope! See you Friday.

Nancy Freeman and Joyce Mullen represented the Didsbury Br. of the Ladies' Auxiliary and Legion at the provincial golf tournament at Innisfail on Sunday. Entries were down from last year due to the number of other tournaments in the province held the same day.

Winners in the men's division were as follows:

1st (winner of Eaton trophy): 1st. Mr. Hughes, Red Deer; 2nd, Mr. Innes, Innisfail. (These two played three extra holes to break a tie). 3rd, Mr. Churchill, Innisfail; 4th, Mrs. Mahwinie, Innisfail and Joyce Mullen, Didsbury (tie).

This is the day and all plans are complete for the annual Lions Club Jamboree which tees off with a big parade in the morning. The Bousker band will be in attendance to give things the holiday touch.

Farmers will be allowed to show their skill with a tractor in a competition called "Operation Tractor". Rules and regulations will be outlined to entrants by the committee in charge. Tractors will be supplied and there is a fair chunk of cash for the winner.

Exhibition and pee wee baseball will be played during the afternoon and starting at 5 p.m. Carstairs will take on Calgary Maroons in a regular league fixture. It's near playoff time and this game is a crucial one.

To finish off the big day there will be a giant Bingo game in the arena starting at 8:30 p.m. A special Bingo for a \$100 jackpot will be held on Calgary Maroons. Numbers will be called until someone wins the cash prize.

Weather permitting it will be a day of fun and games for everyone and you are going to miss something if you're not in attendance.

Dave Douglas, of Newark, Del., is pictured with the Canadian Open Golf Championship cup which he won at Toronto Scarborough with a 72-hole total of 273, and made him richer by \$5,000.

## WESTERDALE NEWS

(From Our Own Correspondent)

The Willing Workers Organization met at the home of Mrs. L. Jones last Wednesday afternoon with eight members present. The meeting opened with the singing of "The Good Old Summer Time" followed by the creed. Owing to the absence of the secretary, Mrs. J. Cowie was asked to take the notes. Roll call was answered with current events.

One letter was all the correspondence consisted of and the treasurer reported that expense at the hall amounted to \$94.88.

It was agreed that the club purchase one fleece of wool for making quilts. It was decided to purchase 2 1/2 gallons of ice cream for Mr. and Mrs. B. Kershaw's 25th wedding anniversary.

### THE CHEERFUL HEART

When life suddenly jolts us, as it inevitably does from time to time, our reaction is either one of self-pity or bitterness.

We wonder why we have been singled out for such treatment. We examine ourselves and see neither reason nor justification for it. Then in quick succession follows another train of thought.

We look around and think of others living according to our standards less useful and orderly lives, and envy them. Nothing seems to touch their lives. To all outward appearances at least they steer a clear course, avoiding all the hazards and obstacles that beset other people.

Of course, they do nothing of the kind. We only assume that they have been spared a quota of trouble. And between assuming and knowing lies much that is hidden from us.

Few people go through life without meeting disappointment and upset in one form or another. Some aggravate their troubles by lying down to them; others have the capacity to endure suffering and smile at the same time.

Often a cheery face hides a heavy heart and that is the first thing we should remember when life lays a compelling hand on us. We are not alone.

### Through The Study Window

By REV. C. C. ARMSTRONG

We spent our holiday period, for the most part, at Aspen Beach, on Gull Lake. As this lake is the site of one of our Presbytery camps, and not as well known as Sylvan, it might not be out of order to give a little information concerning it.

The United Church camp is at the junction of the 5th Meridian with the southwest shore of the lake. Over 100 youngsters were accommodated at this camp at one time, but this is straining the facilities.

Adjacent to this is the fine site owned by the Prairie Bible Institute of Three Hills, and beyond that is Brewer's Beach. Brewer, by the way, was not a brewer but a farmer of sorts who kept both goats and boats. King Lear, in Shakespeare's play, was mad, but "could tell a hawk from a handaw when the wind was westerly." Cottagers in the vicinity could tell the goats from the boats when the wind was north-westerly. The goats are now gone.

The lake is very safe for children. Each family cottage fronts on the lake, and from there it is a Sabbath Day's journey down to the water's edge. From that point on the water deepens very gradually, with clean hard sand and no rocks, although the beach itself is overgrown with grass.

Our little cottage, entitled "Aloulay", was in the north-eastern portion of the beach. Here the chief threats to our happiness were the wet, cold days; a colony of ants, and a wasp nest near the pump. About the weather, one could do nothing. About the ants, one could remember the Scripture "Go to the ant, thou sluggard, consider her ways, and be wise." One could only be thankful that the ants didn't have a verse "Go to the sluggard, thou ant."

For the most part they left us alone. As for the wasps, I was invited to help destroy their nest, but unfortunately had to leave for home before getting around to the task, much to my regret.

It is a special privilege for we ministers, to go voluntarily to church, on our holidays. Cool green water and warm sunny days are best appreciated from the vantage point of those who see in them the Creator's handiwork, but strangely enough one is best reminded of the Creator when in the company of those who seek to get away from the Presence of Him who is invisible. Our contacts, too, with kindly friends, although of necessity strictly limited, were much enjoyed.

Now the time has come to resume the regular work of the charge. Don Robertson and Dorn Gillrie have made splendid contributions through the Sunday services. The church services are continuing, and the Sunday School will resume in early September. Among other features of the early fall, there is to be a Sunday School picnic rally, but the date for this has not yet been fixed.

### ACRES HAVE ACES, TOO

Cost-of-living for the farmer and his country cousin aren't the same thing. Much-quoted indices are for the city. Latest farm family living cost index shows living costs 203.4 per cent above 1935-39 average, or increased more than city costs over that period.

### 80,000 HAVE CANCER

The Canadian Cancer Society estimates that about 80,000 Canadians are now under treatment for cancer.

### Agricultural SERVICE BOARD NOTES

W.K. Snyder, Field Supervisor

**Perennial Sow Thistles:** In many sections of this district this weed is a deep-rooted perennial that grows from both root stocks as well as seed. I notice there is a bit of confusion among some people in being able to correctly identify sow thistle.

The weed most often taken for sow thistle is Hawkweed. It too has a yellow bloom and in some respects resembles sow thistle. However, one sure way to identify sow thistle is to break the stem and if milk comes out you can be sure it is sow thistle and not hawkweed. In fact the whole plant is filled with a bitter, milky juice. The plants grow from 1 to 3 feet in height. Flowers are bright yellow and about 1 1/2 inches in diameter.

This weed produces a large amount of seed which, together with its vigorous root system, makes it one of our more aggressive weed enemies. Wherever well established, it can crowd out crops almost completely. If left undisturbed the seed will ripen before the grain is cut, and they will travel long distances on the wind.

24-D, even this late in the year when the plants are full grown, has given very good results in controlling and even eradicating this troublesome weed. If you have patches of sow thistle in your grain field or on grass or pasture land, it would certainly be well worth your while to spray these patches now. A knapsack sprayer is easy to use and much sounder practice than to resort to the scythe or to try and pull them. To 3 gallons of water add 15 ounces of 24-D and thoroughly wet the vegetation of the sow thistle plants. I think that you will be amazed at the results achieved.

### IS THIS FUNNY?

When Brown called at the house of Keene, a business associate, he was met in the hall by a very homely woman. She took his hat and motioned him toward the living room where he was greeted by Keene himself.

"Say," said Brown, "was that your wife or a maid?"

"Oh, come now," replied Keene, "would I hire a maid that homely?"

With electricity, you can set extra helpers to work for you in your barn or home. At the touch of a finger, you can summon them to speed farm tasks, making life easier and more pleasant for you and your family. But before you can enjoy this modern miracle, you may need power lines, and equipment. That's where a Farm Improvement Loan comes in. A loan to finance farm electrification may be arranged at any branch of The Royal Bank of Canada. Your local "Royal" manager will be glad to discuss it with you.

Our free booklet "Farm Improvement Loans", explains how they may be arranged, the purposes for which they can be used, terms of repayment and other details. You can get a copy at any branch.

Notes From D.A.  
By Hugh McPhail

In recent notes I wrote about  
Antelope rye. Some farmers are  
interested in knowing the  
following indicates how you may  
be able to get it.

Comparative tests have shown  
that Antelope rye yields about 10  
per cent higher than Dakota, is  
equally winter hardy and has  
larger, more attractive kernels.

A limited increase of Antelope  
rye was made at the University of  
Saskatchewan in 1952. Last fall a  
small quantity of seed was dis-  
tributed to selected seed growers in  
Saskatchewan for increase under  
contract with the Saskatchewan  
Branch, Canadian Seed Growers'  
Association. A recent survey of the  
increase fields by officials of the  
University of the Saskatchewan  
department of agriculture and the  
Saskatchewan branch, Canadian  
Seed Growers' Association, showed  
excellent stands with much tiller-  
ing and heavy growth. We antici-  
pate having at least 10,000 bushels  
of clean seed for distribution for  
seeding this fall.

The price of the seed is \$4.50 per  
bushel in sacks F.O.B. the process-  
ing point of the seed and basis a  
registered grade. The maximum  
allowment per individual purchaser  
is 124 bushels. The seed will be put  
up in two bushel bags and orders  
should be in multiples of two.

Your definite order for seed  
along with payment by money  
order or certified cheque made out  
in the name of the Saskatchewan  
Seed Grain Co-operative Limited,  
should be sent immediately to:

J. H. Shaw, secretary-manager,  
Saskatchewan Seed Grain Co-op.,  
Saskatchewan Gov't. Seed Plant,  
Moose Jaw, Saskatchewan.

Orders for seed will be filled in  
the order of priority as received in  
the Moose Jaw office as long as the  
seed supply lasts. Money will be  
refunded on orders which cannot  
be filled.

## CANADA'S FUTURE

Canada should have a popula-  
tion of 25 million by 1980, says the  
current review of the Bank of  
Nova Scotia. Annual national  
production will then reach 65 bil-  
lion dollars at present prices.

This prediction is made on the  
premise that world demand will  
continue for Canada's surplus pro-  
duction of basic products and that  
a severe world wide depression will  
not intervene.

If Canada had a population of  
25 million people, farmers in this  
country would have a home market  
for their production of meat.

Spread Of Polio  
Causes Dual Ban

Spread of polio in Alberta has  
forced the Provincial Board of  
Health to exclude all children 16  
years old and under from theatres  
and swimming pools throughout the  
province. The order became effective  
at 8 a.m. August 14.

To control the spread of polio  
parents are advised to keep their  
children from getting over-tired.  
Boys and girls should keep out of  
crowds, avoid swimming and prac-  
tise careful personal hygiene.

Parents can help check the dis-  
ease by maintaining high standards  
of dish washing, washing all fruits  
and vegetables, keeping garbage  
covered, controlling flies in out-  
door toilets, and postponing opera-  
tions for the removal of tonsils,  
adenoids or teeth.

The Board of Health said that  
early care will often prevent a  
polio patient from being crippled.  
Mild cases of polio were best looked  
after in the home since movement  
might harm the patient.

**PORK ON THE MENU  
FOR MANY CANADIANS**

Canadians are eating 90 million pounds of pork a week. As producers are only delivering 76 million pounds of pork, the balance must come out of storage. This information was given by Rt. Hon. J. G. Gardiner.

**GRAIN HANDLING CHARGES**

There will be no increase in the maximum charges for handling grain at country elevators in the 1953-54 crop year. An order to that effect has been issued by the board of grain commissioners for Canada.

**DISTRICT NEWS****Lone Pine W.I.  
August Meeting**

The Lone Pine W.I. met at the home of Mrs. Bruce Shells for the August meeting with an attendance of 18 members and three visitors. Roll call was answered with a bouquet of flowers, and the array was beautiful. Mrs. Bruce Shells won the prize with her gladioli.

Ten dollars was voted to be sent to the Artistic Society. Resolution regarding the provincial convention was passed.

Two belated papers were given. The report on the conference by Mrs. Floyd Ahlgren and citizenship by Mrs. Harry Richardson. The secretary reported that \$45 worth of books have been bought for the library.

Mrs. Harold Shells had the contest and Mrs. Owen Milne was the winner. The 10-cent draw netted \$2.20. Mrs. Roy Dowell held the lucky number.

The sick and convalescent reported that several cards had been sent, as well as a gift to a new baby. Meeting closed by singing "God Save The Queen" and pot-luck lunch was served by the hostess.

**WEST NOTES**

(From Our Own Correspondent)

The Anglican W.A. met at the home of Mrs. H. Hoesgood on Friday with nine members and two visitors. Mrs. D. Hoesgood read the portion of scripture and Mrs. Hoesgood Sr., Mrs. McMullen and Mrs. Barnard read articles on missionary work in Africa and India. Mrs. L. Bird also spoke on Africa.

Mrs. McMullen will continue the study of Africa at the next meeting, which will be held at the home of Mrs. A. L. Hogg. It was decided to have a special meeting later to quilt.

The deaconsry is to be held in Olds during September and Mrs. Bohannon offered to take some of the members. The meeting closed with prayer and lunch served by the hostess.

Mr. and Mrs. G. Befus spent Sunday evening with Mr. and Mrs. F. Luft.

Mrs. L. Banting has had her nieces and nephews from Sundre visiting with her while their parents were on holiday.

Elkton beat Dog Pond in the first game of the finals on Sunday at the latter's diamond. The next game will be at Elkton next Sunday.

Mr. and Mrs. L. Evans were Red Deer visitors Wednesday.

The Elkton Willing Workers met at the home of Mrs. Arnold Hogg Wednesday of last week, with 11 members present. A quilt was tied for one of the members and wool was given out for baby jackets.

The next meeting will be held at the home of Mrs. O. Befus, when it is hoped to tie a quilt for the Red Cross.

The meeting closed with "God Save The Queen" and lunch was served by the hostess.

Mr. and Mrs. Les Oliver and family, and Mr. and Mrs. W. F. Brown left Thursday to visit in Calgary on their way home to Rosedale, B.C.

**Letter To The Editor**

Dear Editor:

We wonder if the parties who have the say and building of our main road into Didsbury ever stop and consider "our" nurses and aides," who have to walk all hours of day and night, to and fro, climbing clay banks, waddling through mud and grass along what sidewalks we have, to their duty.

Why couldn't this road have been spared a foot or so on top and put the spare money into a sidewalk to our hospital?

If you don't think it's time, stop and think who takes care of you if you become ill.

You have gone to a very big expense, but we don't think anyone (no matter how old the resident) has or ever will see the water get so high as to fill these ditches.

It would be a good idea now that the "Green Terrace Apartments", 455 West Calgary, are being torn down, for the residents to buy the fire escape ladders and place them along the road so they have a means of getting up and down the banks.

**REDEEMER LUTHERAN  
HOLDS ANNUAL PICNIC**

About 200 members and friends of Redeemer Lutheran Church attended the annual church picnic on Sunday at Melvin Hall. Rev. Fox conducted the morning service.

Just before dinner was served, the children of the Vacation Bible School sang a number of songs. Following dinner, races for the children were conducted. Once again, at the conclusion of the races, the children entertained the adults with a number of action songs which they had learned at Bible School.

A baseball game between the single girls and the married women resulted in a 11 to 5 score in favor of the married women. Another ball game between the married men and the single men resulted in a 10 to 2 score in favor of the married men.

CHRISTIAN SCIENCE

In Christian Science churches on Sunday the title of the Lesson-Sermon is "Mind," and it brings out the re-assuring fact that man has constant access to divine intelligence. From the Bible is this passage: "If any of you lack wisdom, let him ask of God, that giveth to all men liberally, and unbridledly not; and it shall be given him." (Jas. 1:5). And from "Science and Health with Key to the Scriptures" by Mary Baker Eddy: "Having no other gods, turning to no other but the one perfect Mind to guide him, man is the likeness of God, pure and eternal, having that Mind which was also in Christ" (487:13-16).

Mr. and Mrs. R. Sutherland were Olds visitors on Thursday.

Mr. and Mrs. L. Papke were Calgary visitors on Friday.

A miscellaneous shower was held Tuesday of last week in the Rugby hall in honor of Miss Joyce Luft. Decorations were balloons with confetti and these were punctured to allow the confetti to shower the bride.

Miss Mildred Luft and Miss Vera Befus assisted the honored guest to open her gifts, among which was a pair of woollen blankets. Miss Luft thanked all those present and lunch was served by the hostess.

Mr. and Mrs. R. Dawkins and Mr. and Mrs. Alf Allen and families were Banff visitors for two days last week.

Mr. and Mrs. H. Beveridge and family of Hoiden are visiting the latter's father, Mr. A. Studer.

Mrs. Ed Ford left Tuesday for Calgary to spend a few days at the home of Mrs. G. Sharpe.

Mr. and Mrs. George Thring left Monday for B.C. where they will visit with the latter's mother at Langley and with Mr. and Mrs. W. Payne in Vancouver.

Mr. Ed Ford and several General Motors dealers and officials returned Sunday from Rocky Mountain House, following a three-day fishing trip.

Mr. and Mrs. Ed Wiggins and family returned home Sunday from Banff after a week's vacation.

Mr. and Mrs. Ed Rouleau and daughter Winona were visitors in town last Friday.

Mrs. A. R. Kendrick left Thursday to spend a week with her son Murray at Regina.

The Misses Allan, of Liverpool, England, who have been visiting their aunt and uncle, Mr. and Mrs. R. A. MacFarlane, have left for Vancouver to visit other relatives. They sail from New York for home on board the Queen Mary August 26.

Mr. Reg Booker celebrated his 70th birthday on Monday, Aug. 17. Reg is in good health and on the job every day.

Mr. Howard Halliday made a flying trip to Winnipeg last week to assist with the Shrine band in the opening of Winnipeg's new football stadium. He says the Bombers are going to be tough to beat this season and judging from the 24-0 shellacking they gave Toronto on Monday night he can't be far out.

The next meeting of the Westcott club will be held at the home of Mrs. R. McFarlane.

Mr. and Mrs. L. E. Burke of Oshawa, Ont., Mrs. B. Burns and family of Aliz, Mr. and Mrs. J. Gilbertson of Edmonton, Mr. and Mrs. J. Fraser of Calgary, Mr. and Mrs. Gilbertson of Coronation, Mr. Stanley and Bob Burke of Calgary, were weekend visitors at the home of Mr. and Mrs. G. H. Burke.

Mr. and Mrs. Tom Morris, former Torontonians, sat in on the Edmonton-Toronto football game in the capital city Saturday night and watched Argo absorb a 28-16 beating from the Eskimos. Tom reports the igloo-dwellers are going to be well up in the league this season.

Misses Dorothy and Mae Ringheim returned Sunday from a holiday trip through B.C. and the U.S.

### Bergen Notes

Miss Esther Erickson, who is employed in Olds by Dr. Harvey, was home for the weekend.

Mr. Percy Blain is back at work again after a few days' stay in hospital.

The Girls' Club, under the direction of Mrs. Trygve Halverson, met at the home of Miss Eleanor Haug on Saturday evening. There were 11 members and one visitor present.

Mr. E. Erickson has exchanged his school bus for a larger one. A number of local pupils will go to Sundre school this term.

There have been reports of a cougar being seen in the district. Mr. Ross Ellis saw the animal near his place and a truck driver reported seeing the animal at Trygve Halverson's corner.

A black bear has been reported near McDougall Coulee. A calf was killed on the Lloyd Kibbiewhite farm and several head of cattle were killed on the Christofferson farm in the McDougall flats district. The destruction of these cattle was thought to be the work of a grizzly bear. The local women are seriously considering leaving the wild berries in the bush.

The 40th annual convention of A.W.C.T.U. is to be held in Mountain View Bible College, Didsbury, Aug. 25, 26, 27. Evening services in the Evangelical church Tuesday evening. Wednesday evening there will be an address by Dr. G. H. Villett, "The Armour of Light."

Donna Easton is spending a few days visiting in Rockyford.
